If ever there was a need to hear from God and know His plans, it is now. Global turbulence and crises threaten, and as we serve the mission of God, we desperately need to be able to interpret times and receive 'blueprints' and direction for the way forward.

This gathering is convened to equip, train and empower strategic people like you to successfully navigate these times.

Both the OT and NT confirm that God has always sent His Prophets into nations for this purpose. Paul counsels us to desire to prophesy and stir up the gifts within us. True prophetic ministry activates believers in their gifts and callings. We look forward to receiving the Counsel of God for our beloved Ghana and for you, as you seek God's will for your life in order to partner successfully with the Holy Spirit.

SPEAKERS

DR. SHARON STONE pioneered Christian International in Europe for over 28 years, she now mentors through Prophetic Voice & Prophetic Voice TV. The thing others say of Sharon is that she sees the best and brings out greatness in others. They attribute this to her prophetic precision. Dr. Sharon ministers at conferences, hosts a monthly "Mentoring Day", coaching sessions and Prophet To The Nations Intercession.

In her travels, leaders of Ministries and Governments regularly seek her consultation. However, her highest tangible strength is her ability to raise and launch Prophets to national and international influence. She has been publicly referred to as "one of the top three most accurate prophets". Dr. Sharon runs a community for those seeking to grow in the Prophetic and hear the voice of God better.
